

## *Bundaberg ROVE 17th and 18th MAY*

This will be a weekend run to Bundaberg 17th and 18th May. As you may be aware the Canefield Classic Event held by the Bundaberg Vintage Vehicle Club has been cancelled for 2019. We have attended this event in past years and always enjoyed it.

Their Main event this year will be a display on the 18th May for National Motoring Heritage day and the Rover Car Club of Qld has been invited to join this display.

There has been some interest and a number of us will be going so you are all invited to join us. See the attached flyer for details of the day.

The plan is to drive up on Friday and have an informal meal Friday night. We can arrange details of where to meet etc closer to the day.

Join the Display on the Saturday and then join with other Bundaberg members for a meal on the Saturday night.

We can then have a breakfast and head home at our leisure on Sunday.

Eve and I have booked into the Burnett Riverside Motel for the Friday and Saturday nights. 7 Quay St, Bundaberg Central, 07 41558777.

Cheers

Ross McCormack
