What better way to start a beautiful Sunday morning than jumping out of bed, into the Rover and joining other club members for breakfast ?

Yes, I know - many of you can think of much better ways to start your Sunday - and on a cold morning it can be hard to argue against staying under the blankets !

Those of us who went to Cafe 63 at Stafford on Sunday 22nd July thoroughly enjoyed the chance to get together and catch up. The food was very good (and inexpensive) and the service was great. We must do it again!

Club members Rick and Rita Thurgood received well-deserved recognition for the pains-taking restoration of their 1949 Rover P3 Sports Sedan when the RACQ selected the car to be displayed in the foyer of their Brisbane Head Office.

The car is one of a pair, one white, one black, purchased together new from Annand & Thompson in Brisbane.

Rick discovered the white car, sad and decaying, under a mango tree and rescued it, intending to restore it "one day".

After some years the project was finally started and the remarkable result is now there for all to see.

Congratulation to Rick and Rita for saving yet another British classic.

You are warmly invited to join your friends of the Rover Car Club of SA to Rove 2020 which will be held on our beautiful Fleurieu Peninsula centred in historic Victor Harbor, over the weekend of October 23 to 26, 2020.

Situated on one of the world's most stunning coastlines, the former whaling town of Victor Harbor is a relaxed seaside retreat with a historic main street and a coastline dominated by a huge rock outcrop called the Bluff. Offshore is Granite Island, connected to Victor Harbor by a causeway, strewn with giant granite boulders and home to a colony of penguins.

Things to do and activities abound when you stay in Victor Harbor. Ride the iconic Horse Drawn Tram across to Granite Island; catch one of the heritage Steamranger trains that travel along the scenic coastline; investigate the South Australian Whale Centre and the Encounter Coast Discovery Centre.

Explore the natural surrounds with miles of sandy beaches, rugged cliffs, cliff top trails, coastal bikeways, flora and fauna parks. Alternatively, explore the antique and fashionable shops in Victor Harbor, or the gourmet cafes and restaurants or award winning wineries. Spot seals, penguins, pods of dolphins, pelicans and a wide variety of other native wildlife. The choices are many.....

Come along and join us in 2020, we'd love to see you, just fill out the form below and tear/cut it off and hand to Paul Tol at Shepparton, or if you wish "snail mail" to the above address or scan and email to: paul.tol@optusnet.com.au or you can telephone Paul on: 0428 107 121
